

Office Safety Precautions in Effect During the Pandemic

Lakeside Comprehensive Rehabilitation is taking the following precautions to protect our patients and help slow the spread of the coronavirus.

- Office seating in the waiting room and in the therapy/gym areas has been arranged for appropriate physical distancing.
- The staff wears a face mask
- Restroom soap dispensers are maintained and everyone is encouraged to wash their hands.
- Hand sanitizer contains at least 60% alcohol is available in the waiting area, therapy rooms, gym and reception area.
- We schedule appointments at specific intervals to minimize the number of people in the waiting room.
- We ask that all patients remain outside or in their car until no earlier than 5 minutes before their appointment time.
- Credit card pads, pens and other areas that are commonly touched are thoroughly sanitized after each use.
- When there is physical contact between therapist and patient, gloves as well as a mask is worn.
- Tissues and trash bins are easily accessed. Trash is disposed of on a frequent basis.
- Common areas are thoroughly disinfected at the end of each day.
